Android devices

About

You can download Zoom for Android by searching for "Zoom Meetings" in Google Play. It will direct you to <https://play.google.com/store/apps/details?id=us.zoom.videomeetings>

Getting Started with Android

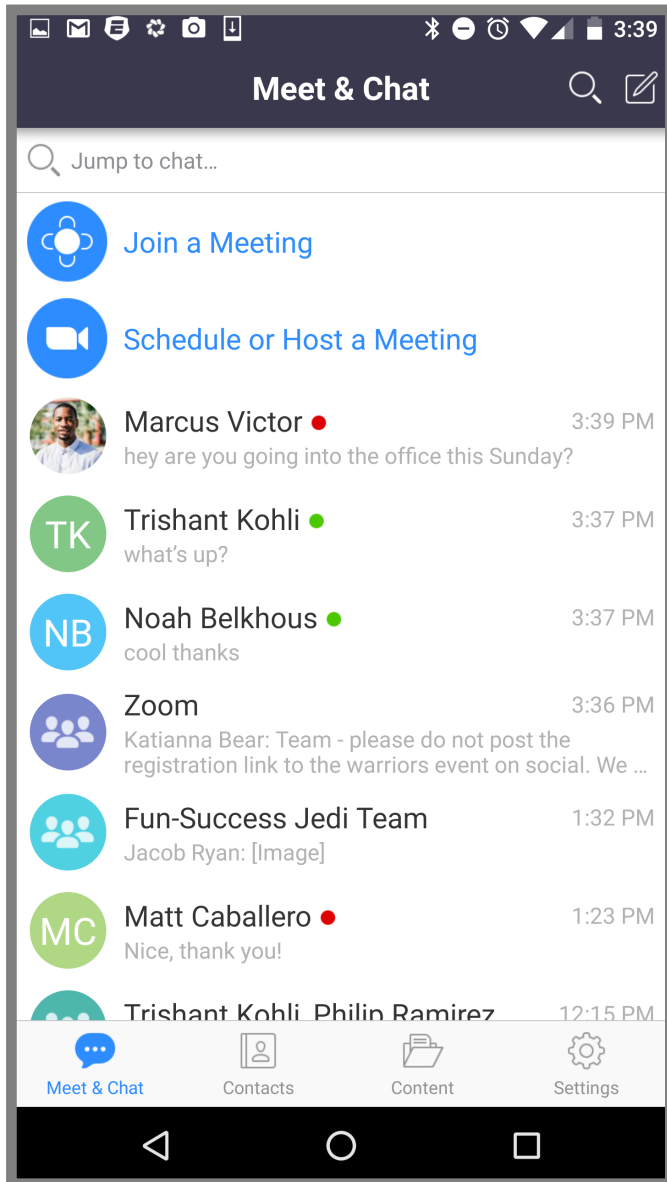

Open the Zoom app. Here, you can choose to Sign In or Join a Meeting.

Meet & Chat

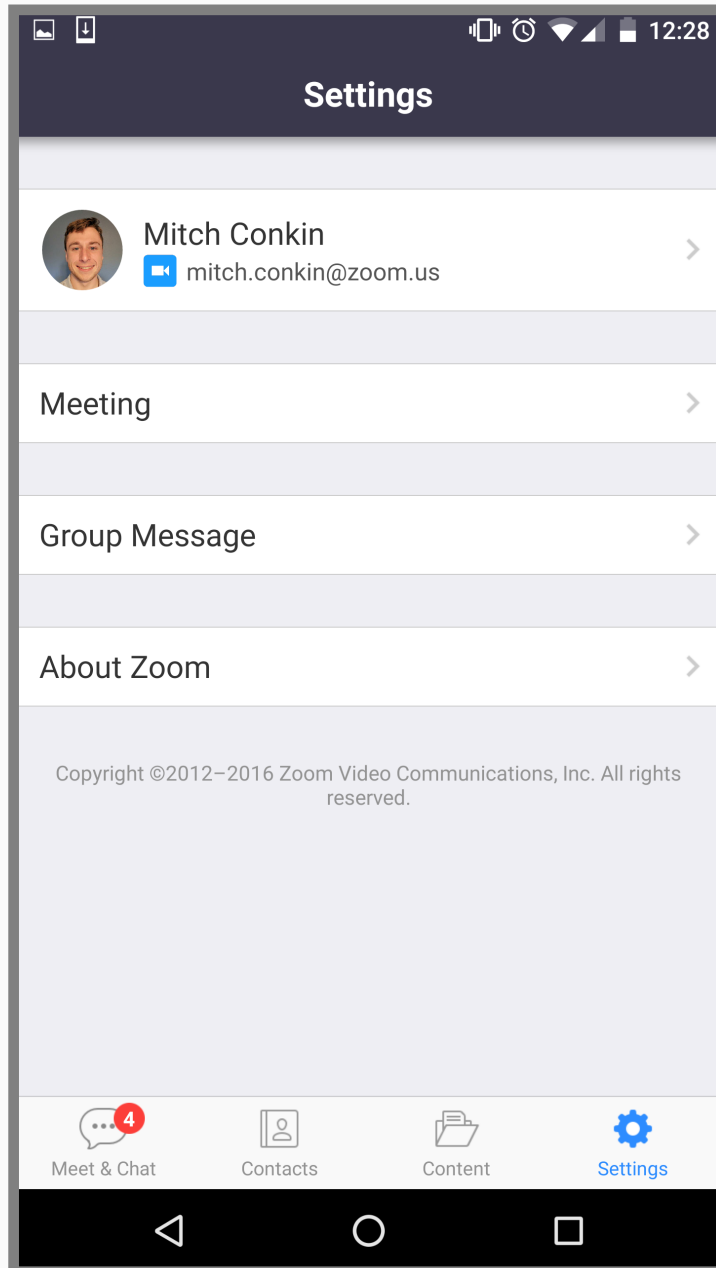

Once you are signed in, you will be able to join meetings. You can also chat with your contacts via [Group Messaging](#).

Settings

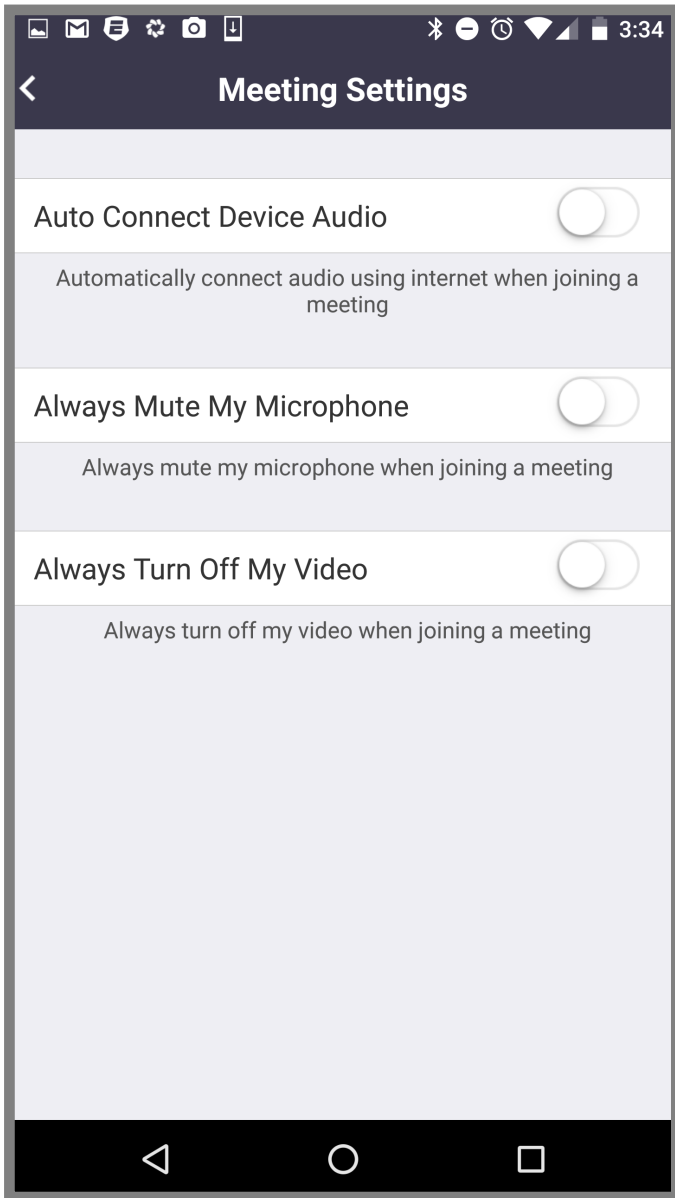

User Settings

Change your Profile picture, Name, and Phone Contacts Matching Settings (see below).

Meeting Settings

- **Auto Connect Device Audio** - automatically connect audio using internet when joining meetings. If OFF, you will be prompted to join when connecting to a meeting
- **Always Mute My Microphone** - always mute microphone when joining meetings
- **Always Mute My Video** - always mute video when joining meetings
